I Segreti Della Lingua Italiana Per Stranieri: The Secrets of the Italian Language (Paperback)

By Antonio Libertino

Createspace Independent Publishing Platform, United States, 2011. Paperback. Condition: New. Language: English. Brand new Book. Please note: a full color edition is also available at a different price under the title I segreti della lingua italiana a colori. Learning Italian without false steps. A simple but effective method to learn the language of love, music and culture while having fun. This listenable bilingual book (in its second black and white edition) has been created by Ditals certified teacher Antonio Libertino and is a creative approach to learning Italian. Inspired by Tony Buzan's research on effective learning, this method incorporates the use of mind mapping and flashcards techniques. Written in Italian with English parallel text, it also comes with a complete Italian audio book to download so you can listen to the sound of Italian and learn it on the go. You'll have access to the Internet bonus page which features: - An audio book to download and to play on your iPod or mp3 player. - A digital flashcard set from the book. - High resolution Mind maps for printing. - False friends list - Pronunciation exercises - And much more. The book is divided into three parts. In the...

Reviews

This ebook is really gripping and fascinating. it had been writtern extremely perfectly and useful. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Leopold Hills

Totally among the finest publication I actually have at any time study. I am quite late in start reading this one, but better then never. I found out this publication from my dad and i suggested this pdf to discover.
